LEVEL-RIDE FOLD-AWAY LIFT

RMM Series 2500 / 3300 / 4400 lbs

DHOLLANDIA

APPLICATION

The ***RMM Series*** is one of DHOLLANDIA's most popular fold-away liftgates. Thanks to the wide arms with dual lift cylinders & level ride operation, the RMM is an excellent choice for operators that want a larger platform, increased platform stability and improved overall performance for the operator.

The RMM is ideally suited for demanding distribution applications, incl. high stack pallets and carts. With several capacities and platform sizes available, the RMM will fit a variety of applications and needs.
