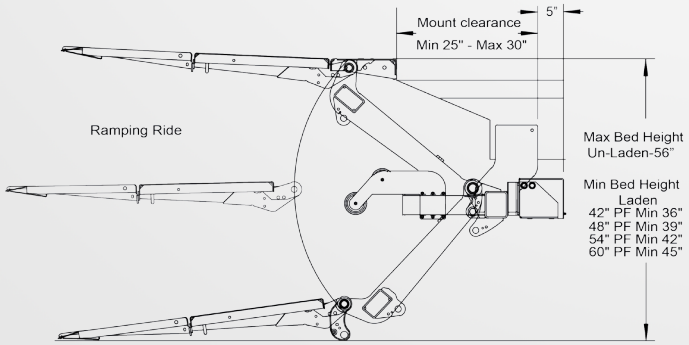
PLR-SERIES

2000 I 2500 I 3300 LBS. CAPACITY

PALFINGER
LIFETIME EXCELLENCE

STRONGER, BIGGER, BETTER.
GREATER STRENGTH - ADDED FLEXIBILITY

VERSATILITY, YOU GOT IT!
CAPACITIES, PLATFORM SIZES & WALK RAMP CAPABILITIES



Designed to maximize your ROI, the PLR is perfect for city delivery applications and offers many new features like increased capacities up to 3,300 lbs., dual cylinders for added stability, large platform sizes in several configurations and walk ramp capabilities.
For cold and corrosive climates, the PLR is now available in painted or galvanized power down versions as well.
All of these features, coupled with a simple operation, results in more efficiency for your fleet.

TO OFFER YOU TAILORED SOLUTIONS, MANY ADDITIONAL OPTIONS ARE AVAILABLE.

PALFINGER liftgates are built with oversized componets for greater reliability. Our liftgates feature heavy duty greasable pins and bushings, hydraulic cylinder locks and adjustable shim stacks for platform adjustment and torsion assist tuning.

STANDARD MECHANICAL FEATURES

- Hardened & plated pivot pins
- Bushings & grease fittings at all pivot points
- New double roller and optimized torsion assist for easy folding
- Flush mount platform hinges
- Low-profile ramping ride geometry
- Shim stack adjusting bolts for platform

STANDARD ELECTRO-HYDRAULIC FEATURES

- Cab shut-off switch
- Hydraulic locking valves on cylinder
- Thermal protected premium motor
- Poly tank, easy to view oil level
- Pre-filled with multi-temp hydraulic oil
- Pre-wired, plumbed, and mounted power pack
- Power pack weather enclosure
